Title
Landscape Study On The Rhydal, Lake District

Dimensions
0.203 x 0.279 (8 x 11 inches)

Inscription
Inscribed: Twilight on the Rhydal. The foliage extremely sober dark and transparent; On the reverse of this drawing are the following lines in the artist's handwriting and presumably of his composition: The black cliffs so high. (Around Whose beetling crags with ceaseless coil And still returning flight, the ravens toil Heed not the chageful seasons as they fly, Nor spring nor autumn; they their hoary brow Uplift, and ages past, as in this now The same Deep trenches unsubdued have worn The same magnetick power, and looks of lofty scorn.
